REVIEW

Mourvèdre, Carignan, and Syrah come together in the 2020 Corbières Boutenac Château Fabre Gasparets in a charming combination that is balanced, straightforward, and a little rough around the edges, displaying notes of blackcurrant, menthol, blueberry, and a peppery finish. With its melt-in-the-mouth freshness and fine, dense tannins, this is a very nice wine to enjoy with friends. Drink 2025-2030.
