REVIEW

Floral and fruity, the 2021 Minervois Château De Rieux Demi Muid, an 80/20 blend of Syrah and Cinsault aged for a year in 500-liter barrels, displays red and black fruit combined with woody and vanilla notes, and a lovely length on the finish enhanced by a touch of menthol. With good freshness and fine tannins, this is a lovely, generous, and delicious wine that is easy to enjoy right now. Drink 2025-2030.
