REVIEW

Medium golden in color, the 2023 Corbières Château De Luc Les Jumelles Blanc is fresh, crisp, and textured. The 70% Grenache and 30% Roussanne, aged for five months in new barrels with stirring of the fine lees, blend into a lemony, spicy bouquet with notes of lemon balm, white peach, pear, garden herbs, lime blossom, verbena, and a hint of licorice. The fairly long finish is enhanced by a refreshing hint of bitterness. Very nice now, it will continue to evolve well over the next 5 years. Drink 2025-2030.
